SENIOR CITIZEN **LUNCH & LEARN!**

*Institute for Advanced Learning and Research invites **all** senior citizens to attend our **free** monthly class-presentation. The class is an open forum, which means that **you** decide what you will learn about.*

"Do you ever get really stressed out?

Like you can't take it much longer and something has to change?

Just making a living isn't good enough any more, you want to make a life? "

You are cordially invited to attend the presentation by **Dr. Joey Faucette**, President/ Founder of Listen to Life, entitled "*Listen to Life*."

The presentation will take place on Thursday **February 9, 2006**
12pm-1pm. Lunch is available for purchase at Bender's Cyber Café for you to enjoy during the presentation.

Our goal is to assist seniors in experiencing a more meaningful and fulfilling life by providing stimulating educational programs and services to feed the mind.
